Why Buy a Nite Stalker Light over any other light?

- ✓ Lightweight
- ✓ 100W Xenephot Globe
- ✓ Fully Adjustable Beam
- ✓ Dual O-Ring Seals
- ✓ 5 Metre Heavy Duty Cord
- ✓ Thumb Switch
- ✓ Great Pricing
- ✓ Brass Adaptor for easy mounting purposes
- ✓ Alloy Reflector which:
 - ✓ (i) ensures more constant beam
 - ✓ (ii) Heat Reflects via Reflector not through lens which prevents burning effect when placed face down
 - ✓ (iii) Will not deteriorate due to UV Rays or time

Red Lens Covers also available for both models
