Howa Zeiss Packages with a Zeiss Terra 3X 1", 3-9x42 Scope

Here's a great package for any hunter! Howa 1500 rifle, Hogue® stock and a great scope! The Zeiss Terra 3X 1", 3-9x42 scope features an anti-reflective coating; #20 Z-plex, 2nd focal plane reticle; 1/4 MOA adjustments; hunting turrets and a DNZ™ one-piece base.

This is a premium rifle package at a very reasonable price. Available in standard and magnum calibers. Howa accuracy, Zeiss clarity.

YOUR BEST CHOICE!

Every Howa rifle from the firing pin to the barrels are perfectly designed, quality machined, fitted with exacting tolerances and all with superior hammer forged pre-hardened steel.

ACTIONS:

Receiver and bolt are forged steel with integral bolt handle, bolt faces are square to barrel chamber and bolt faces have excellent contact with recess. Hands down the best extractor style and design available. 100% reliable M16 style extractor.

TRIGGERS:

Many shooters know that the trigger on any rifle is one of the inherent focal points for achieved accuracy and safety. The new Howa HACT two stage match triggers provide you the shooter with the instant ability to achieve better accuracy right out of the box.

SAFETY:

All Howa's have a 3 position safety which allows for barrels to be locked down and also allows for actions to be UNLOADED while on SAFE. Key for youth guns, climbing tree stands or moving through dense brush or forests.

BARRELS:

Our factory barrels are Hammer Forged and are chambered symmetrically at center of axis with head space set to stringent and exacting specs resulting in maximum accuracy and consistent bores.

SCOPE PACKAGES:

We offer AWARD WINNING scope options for your HOWA with the ever popular Nikko Stirling lineup of scope values, from the **Gameking** Combos, **NightEater** Combos or **TargetMaster** Combos. You will be extremely satisfied with your new shooting packages.

DETACHABLE MAGS:

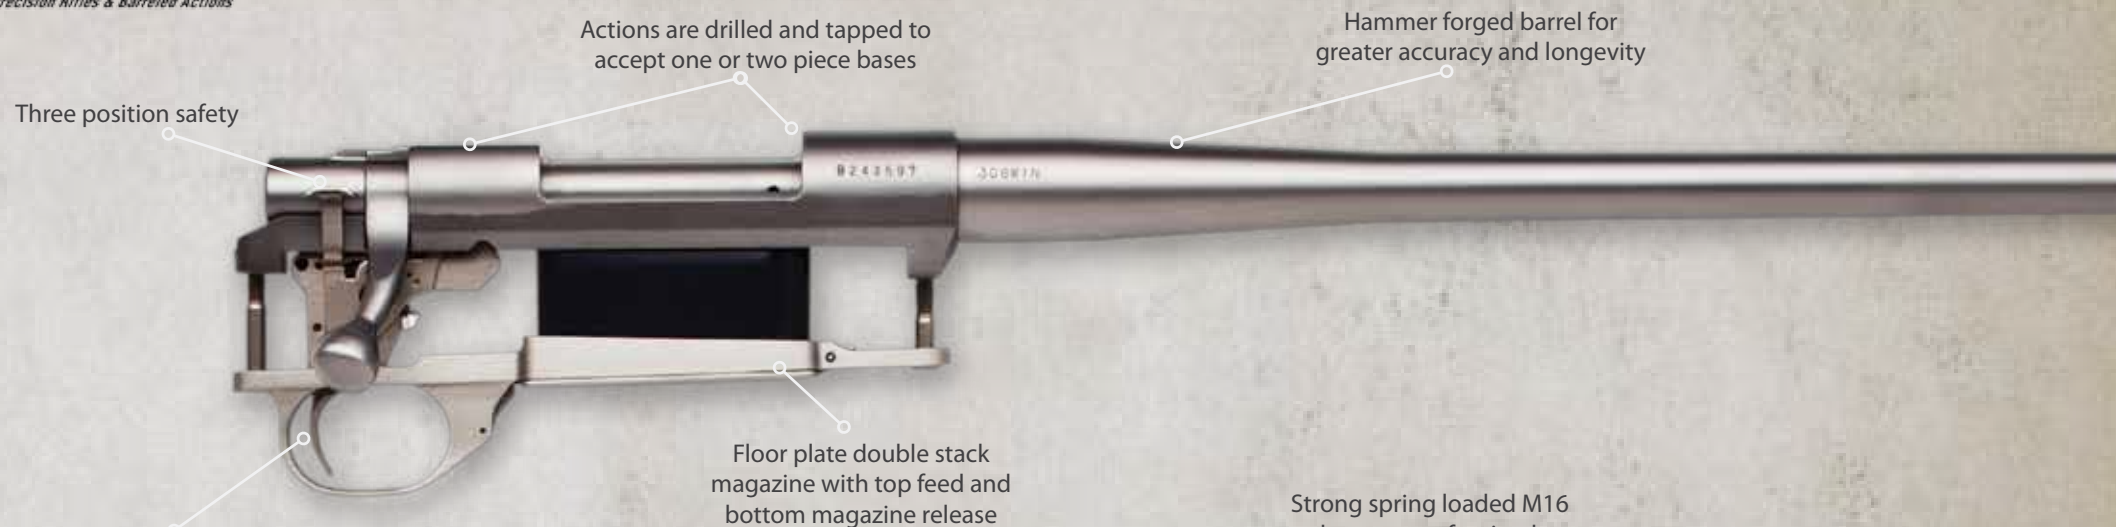

ALL of our Howa Short Action Caliber Rifles have the ability to be converted to detachable mag kits with **Ammo Boosting** status. From 5rd to 10rd options... and all can be done in a matter of minutes. Our conversion kits also work on all older model Howa's, Weatherby Vanguards, Mossberg 1500's, S&W 1500's and Interarms 1500's.

HOGUE SPORTER RIFLES

BLUED SPORTER

STAINLESS SPORTER

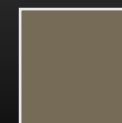

HOWA/HOGUE OD GREEN OR BLACK IN BLUED & STAINLESS FINISH

The Hogue Sporter series is the flagship of the Howa line. This rifle has all the features that make Howa great, including a Hogue Overmoulded™ Stock which is soft rubber over an aluminum skeleton, providing a positive grip in all weather conditions, reduced shooting fatigue and high resistance to most gun solvents. Barrels are free floated for maximum accuracy.

Available in these stock colours:

BLUED VARMINT

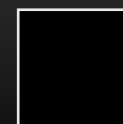

STAINLESS VARMINT

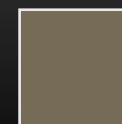

HOWA/HOGUE HEAVY BARREL VARMINT

The Howa/Hogue Compact Heavy Barrel Varmint features a Hogue Overmoulded™ stock in Black or OD Green with aluminum pillar bedding and a soft rubber skin for a sure, weather beating grip in a non-hardening composition. The Howa barreled action comes with either a Blued or Stainless finish with a #6 contour for greater shooting accuracy and heat dissipation. AMMO BOOSTING capabilities are available with our detachable magazine conversion kits.

HOGUE FLUTED & HUNTER WALNUT

HOGUE FLUTED

HUNTER WALNUT

HOGUE FLUTED

The New fluted Hogue series uses the popular Howa barreled action with the addition of fluting. Providing a lightweight barrel with the strength and consistency of a standard barrel. Available in Blued Sporter and Blued Varmint in selected calibres.

HUNTER WALNUT

Many sportsmen prefer the look and feel of a solid wood stock on their hunting rifle. Enter the Howa Hunter. Made with a one-piece high grade walnut stock, the Hunter model features fine checkering at the forend and pistol grip, and a Monte Carlo style cheek piece. The Howa Hunter comes with a rubber recoil pad and sling swivel studs already mounted. And of course, the field-proven M1500 Howa barreled action in blued or stainless.

TALON THUMBHOLE, BLACK

Combines the performance features of a thumbhole stock with the recoil reduction of a Talon. Recoil reduction is up to 70 percent, depending upon caliber. The large thumbhole design looks great and accommodates even the heaviest hunting glove. The Talon stock design from BLACKHAWK! offers hunters improved accuracy through better ergonomics, quicker target acquisition, steady control and the ability to use their rifle from a variety of shooting positions.

HOWA AXIOM HEAVY BARREL

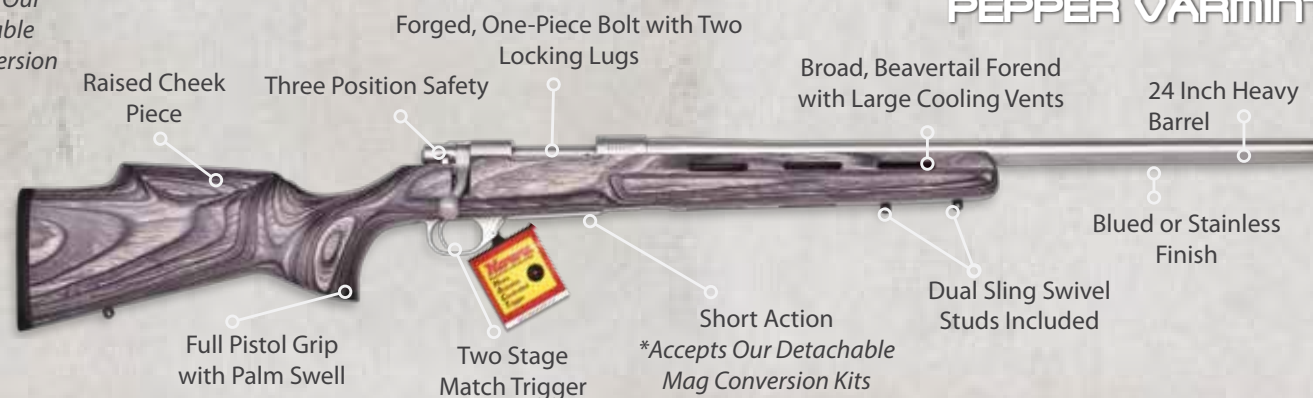

Howa Axiom Heavy Barrel models are set up for shooting from a rest. Heavy Barrels also offer greater shooting stability and better heat dissipation. The Howa Axiom also has **AMMO BOOSTING** capabilities with our detachable magazine conversion kits.
